FINANCIAL POLICY

Dr. Wildern is proud to be part of a team whose primary mission is to deliver the finest and most comprehensive dental care services today. Following diagnosis, the doctor will advise you of our plan of treatment. Additionally, we will discuss with you the cost of today's and future treatments.

INSURANCE

We will gladly process your insurance claim; estimate your deductible, and the portion not covered by your insurance. The estimated amount not covered by your insurance is due at the time of treatment and may be paid by one of the options listed below. The estimates are subject to change depending on acceptance and approval by your insurance company; therefore, the amount due to our office is subject to change. After 60 days, if insurance has not paid, the balance is the patient's responsibility.

If my insurance does not cover its estimate portion, I give Dr. Wildern authorization to charge the remaining balance to my credit card.

PAYMENT

Payment for today's visit and future visits are due at the time of treatment. We are sensitive to the fact that some people may not be able to pay in cash at the time of treatment. For this reason, we have added Care Credit as an option for treatment payment in our office. We reserve the right to charge interest in the amount of 1.5% (18% APR) on unpaid balances after 60 days.

For services rendered to a minor patient, the adult accompanying the patient, and the parent or guardian with custody will be responsible for the payment.

BROKEN APPOINTMENT POLICY

Our office requires a 24 hour notice for cancellation of an appointment. There is a \$50.00 per half hour charge for appointments cancelled or missed without proper notice.

Thank You
